

PLY-2X230-USB-HORI/GR-800GST

Desk top power module 230V AC socket • 25W TUF A + C • Horizontal

PLY with its innovative use of birch plywood and laminate, takes the traditional desk top power module in an exciting new design direction. PLY is the suitable product to equip your home and work office with a fast-charging power module in modern design.

Did you know:

- You can easily replace the TUF-USB charging module in no time.
- Unlike the USB ports of all other brands, the USB-A connector always fits, even when the USB is inserted either way.

Suitable for USB A and USB C / fast charging
