

Specifications

Brand	PIPS	Light source	High Power LED
Certificates, quality marks, markings	CE, UKCA	Luminous intensity	250cd
Colour lens	Clear	Material	Housing: PC Lens: PC, self-extinguishing
Connection	M20 cable gland	Mounting and connection type	Screw mounting
Dimensions	160mm x 115mm x 98,4mm	Operating temperature	-40°C to +60°C
Impact resistance	IK08	Particularities	Link & sync up to 7 items
Ingress protection	IP66 & IP69K	Rated current	800mA
Inrush current	1,7A	Type	LED module
LEDs colour	Red	Voltage	24V DC
Light patterns	Blinking	Weight	300g
